lightHOUSE Learnership™

The Deeper, Cooler Success of Our Youth is the Success of Ourselves and Our Civilization

Inspire an approach to youth and education that advances our schools, workplaces and beyond.

Clichés aside, youth *are* the future. Barry is passionate about working with youth and the young at heart.

In his work with youth and educators alike, he centers on four key elements...

courage, creativity, compassion and community

Barry engages youth and educators to work together, for the greater *and* individual good.

He knows the deeper idealism of youth and their sometimes unspoken desire to believe.

He does this through a body of work he calls **lightHOUSE Learnership™**.
