Engage Barry's core message in...

L7™

**Leadership, Unity,
and the Things that
Make You Go Aaaaah....**

Lead, unite, and move forward together with gratitude, certitude and the best of attitudes. You want to know what Barry Lewis Green is all about? Engage L7. Give or take an hour and you will gain so much. Barry introduces 7 factors all beginning with the letter "L"... factors that impact our success, and our ability to play a role of leadership in our lives.

These are factors that foster our connection with one another, and, yet, can set us apart from the crowd. These factors are common sense, but not always common practice. Leadership is about movement; movement from where we are to where we need to be. L7 helps us move. Unity is about understanding that our differences and our commonalities are both strengths. L7 does that! In this hour or so, you will laugh. Life is funny. It is also one heckuva teacher, if we are open to the lessons.

L7 is not about "pie in the sky" or even "pie in your face". It is about values, attitudes, and behaviours that can have fundamental and lasting impacts on making our lives and work count, at whatever stage we find ourselves. L7 crystallizes Barry's body of work over 30 years. Yup, L7 is about life, leadership, unity and enjoying the ride. Hop in... it could be quite the ride!
