

Bring your best to the table...
at work, school and community.

We're ALL Stars™

AKA, DAMN YOU'RE COOL™ ... EVERYONE COUNTS, EVERYONE LEADS

Lead, unite, and move forward together, stronger.

You want to know what Barry Lewis Green is all about? Engage *We're ALL Stars™* (aka *Damn You're Cool™*). Give or take 2-3 hours and you will gain so much. Barry addresses personality and character... centering on how they play a role of leadership in our lives.

These elements of personality and character foster our connection with one another, and, yet, can set us apart from the crowd. Leadership is about movement; movement from where we are to where we need to be. Collective leadership and unity are about understanding that our differences *and* our commonalities are *both* strengths. In these couple of hours or so, you will laugh. Life is funny. It is also one heckuva teacher, if we are open to the lessons.

We're ALL Stars™ is about values, attitudes, and behaviours that can have fundamental and lasting impacts on making our lives and work count, at whatever stage we find ourselves.

Want to be a rockstar? We already are. We just need to claim our best music at school, work, business, and in the community. Come on, join the band. ☺
